THE THREE KINGS AND THE PROTOCOLS OF ZION

While this country is allegedly still a republic, we have, in fact, got Kings, lots of them. But to focus upon the great and powerful ones, let us put the following under the microscope:

1. William Paley, King of the Columbia Broadcasting System, known best under the initials C.B.S.

2. David Sarnoff, King of the national Broadcasting Company, the N.B.C.

3. A Mr. Balbanson, whose first name I ignore, is King of the American Broadcasting Company, the A.B.C.

If you do not think these three men are absolute monarchs, try to get some sound patriotic literature on the air. You'll be astonished. Nor will you hear their vassals on T.V. express any but their Kingly views, which are quite apt to be contrary to the best interest of this country.

There are many foreign born citizens who are wholeheartedly American and who would never think of taking sides with our enemies. However, there are some who would.

What, then, seems to motivate these three foreign or domestic Kings?

We see and hear in their tightly controlled networks that which enhances our enemies, both foreign and domestic. They seem to do their best to let left-wingers, revolutionaries and Black radicals tell their slanted stories, while down grading anything damaging that might be said of these particular parties.

That they are trying to stuff race mixing down our throats is so obvious and objectionable that we often just turn T.V. off with an ever increasing disgust for the sponsors who make the management of the news possible.

During three no win wars, the slant was always in favor of the enemy and against the American Armed Forces fighting these useless wars "to contain communism."

While we were trading "under the table" before the recognition of Red China and likewise trading with Red Russia in such a way as to assist them to supply our enemies in the field, the three kings

expressed horror and distress every time we struck the enemy in a tender spot or did anything effective to win. But the whitewash and glorification of our foes when we finally surrendered in Viet Nam was deafening.

If Joe Blow opens up a modest broadcasting station, he is subjected to many hard rules issued by the executive agencies controlling the air waves. Not so with the Three Kings, so one must conclude that they exercise Kingly powers and privileges.

The Council on Foreign Relations, the C.F.R., is reputedly the secret government of the U.S.A. I would modify this view by restricting it to the inner circle of this "Order of the Elite" which was initiated back in the Wilson administration by "Colonel" (?) Edward Mandel House. His objective was to make the U.S.A. a part of the United Nations---has been achieved. The hard core of this group are but a handful, perhaps they are the holders of the Class A stock of the Federal Reserve Corporation.

It is quite possible that, if the U.S. Government could and would force these stockholders to reveal their names, our Three Kings would be found on the list. But who expects the tail to wag the dog in

these mysterious last days of the Republic?

It is meet and just that we should tote up our demise as a Christian Constitutional Republic to the hostility of the Three Kings to Christianity, the Constitution and the Caucasian Race. They have effectively misinformed or failed to inform our people so that they are now happily watching games on the field or preferably on T.V., and behaving like the three famous monkeys which spoke no evil, heard no evil, saw no evil.

The enormity and effectiveness of this control of the news media may be seen today in the complete ignorance of the general public about the establishment of Regional Government and its domestic and international significance. This subject is either sweetened up or just swept under the rug.

Even the Congress fails to get the full meaning of this presidential trick. Backed up by a strictly phoney "National Emergency" Executive Order under which the President helped himself to the power to control prices and wages, he issued Executive Order No. 11647. This document, in effect, WIPES OUT ALL STATE GOVERNMENTS. it creates l0 Regional Governments each of which includes several

states. The rulers of these Regions are appointees of the President and have full power overrule State governments. They can overrule state laws at will.

This, of course, is a blatant violation of the President's oath to uphold and support the Constitution and is an Amendment to this document so devastating that it destroys the very basis of Constitutional Government. For it culminates the Sovereign States, which are the parties to the contract called The Constitution. In one Executive Order the President changed the U. S. A. into a practical dictatorship by tossing the Constitution into the waste basket.

Now the President, under his Emergency Executive Order, can put another Executive Order (No. 11490) into effect. This is the total dictatorship and would **ELIMINATE THE CONGRESS** AND THE COURTS.

How many of our readers and even members of Congress are aware of this fatal fact? Why? Because the Three Kings want it that way. They want us to sleep the sleep of death in ignorance.

We all know the beautiful story of Cinderella. The Prince found her because her foot filled the glass slipper. With this in mind let us quote a few bits from *"The Protocols of The Learned Elders of*

Zion," translated by Victor E. Marsden. But first we quote from the Reverend Arno Clemens Gaebelein, D.D., Editor of the Scofield Reference Bible, on page 100 of his book: "The Conflict of the Ages:"

"A painstaking and deeper study of the *Protocols,* compared with present day world conditions, must lead, and does lead to the conviction that the plan IS NOT A CRUDE FORGERY. Behind it are the hidden, unseen actors, powerful and cunning, who follow the plan still, bent on the overthrow of our civilization, Reader! Do not pass over these pages lightly. Compare these statements with what is going on in the world today."

In Protocol 17, we read in paragraph 2:
We have long past taken care to discredit the priesthood of the Goyim (Yiddish for non-Jews)," And in, the same Protocol, in paragraph 4:
The Kings of the Jews will be the, real Pope of the Universe, the patriarch of the internalional church."

Thus the Elders tell us plainly that Christianity will be reduced to zero, and that the Constitution will be replaced by a Jewish Kingdom.

In Protocol 1, paragraph 7 we read:
In our day the power which has replaced that of the

rulers who were liberal is the **power of** Gold."

In Protocol 10 we see such headings as: "Our Goal—World Power," "Poison of Liberalism" and "We name Presidents."

And under paragraph 19 we read:
"But you yourselves perfectly well know that to produce the possibility of the expression of such wishes by all the nations it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, strife, envy and even by the use of torture, by starvation, BY THE INOCULATION OF DISEASES, by want, so that the GOYIM see no other issue than to take refuge in our complete sovereignty in money and in all else."

Now, coming to Protocol No. 12, we come to the key which opens the door to the mystery of what motivates our Three Kings: Under the heading: "We Control The Press (now expanded into news media)." In paragraph 4, under this heading we read:
"Not a single announcement will reach the public WITHOUT OUR CONTROL."

Turning now to Protocol No. 20, we see such headings as: "We Shall Destroy Capital." "We

Cause Depressions." "Gentile States Bankrupt." "Tyranny of Usury." Well, does this fit the situation of our country? We are, indeed, bankrupt, we are on the brink of a depression and the tyranny of usury has been upon us since the Federal Reserve Act placed control of our money in the hands of the international bankers. From that moment on, every dollar printed is tainted with usury, for we now pay over 22 billions per year interest on Federal Reserve Notes we print for practically nothing on the demand of the Federal Reserve Corporation. Finally, we quote from Protocol No. 22, paragraph 2:

"In our hands is the greatest power of our day--gold: In two days we can procure from our storehouses any quantity we may please."

So you see dearly what is the Power which motivates our Three Kings and sustains them: against any **attacks from Congress, the** President or the Courts. And this puts the matter into our own hands. We may accept the Zionist slavery, or we may die. fighting to restore our Constitution, our Christian Faith and our Caucasian heritage.

The late Lt. Gen Pedro A. DelValle was of pure European, Spanish descent and was born in Puerto Rico. When the United States took over Puerto Rico in 1898 the Spanish Europeans had the choice of becoming American citizens or becoming citizens of Puerto Rico.

The DelValle family came to the United States. Pedro Augusto Jose del Valle-Barca Munoz was born in 1893. He graduated from the Naval Academy in 1915 and was commissioned in the Marine Corps.

In 1917 he was made a captain and after participating in several campaigns was promoted to Lt. Col. in 1934. He was later assigned as Naval Attaché in Rome and was an observer with the Italian forces in Ethiopia. He was involved in all the major military campaigns in the Pacific in WW II. He was in charge of all artillery on Guadalcanal.

He was promoted made Inspector General of the Marine Corps and retired in 1948.

Alarmed by governments attack on the Constitution, he along with other military men formed the *Defenders of the American Constitution* in 1955 and thereupon published his monthly newsletter *TASK FORCE* until his death in 1984.
